

Lower Merion Library System Bulletin Board Policy

Policy Statement

Lower Merion Library System recognizes its role in providing notification of educational, cultural, and community interest events and services.

Approval

All requests to post information on library bulletin boards must be submitted to and approved by an appointed library staff member. Items posted without approval will be removed.

Information that implies endorsement of a candidate, political group, or political activity; advocates a political position; or is inflammatory in nature, is not suitable for posting in the libraries.

Endorsements

Posting materials does not imply endorsement on the part of the library, its Trustees, or the Township.

Preferences

Preference will be given to: library-sponsored or library-related activities; non-profit events; cultural, educational and community events. Limitations as to material size, format, and length of time to post may be decided by each local library.
